Resourcing Matters has been back to the National Graduate Recruitment Fair at Wembley and Birmingham this Autumn. Due to overwhelming demand, we were invited back to run mock assessment centres for graduates. This event has proved so popular amongst the student population that we have developed a one day and a half day workshop called – First Step – which is aimed at finalists or those who have recently graduated. Visit www.resourcingmatters.com/firststep.html to find out more or pass the information on to anyone you know that may be interested in attending. We are running workshops in November, December and January in London and Birmingham.
